Server

Education

2006 – 2009
University of Minnesota

Bachelor of Arts - Philosophy
Bachelor of Arts - Fine Art

During my time at the University of Minnesota I was actively involved in student academic activies such as the Philosophy club and the Student Design Club.

2013 – 2015
Minneapolis Community & Technical College

A.A.S - Web & Interactive Media
A.A.S - Graphic Design & Print Media

During my time at MCTC I gained a wealth of knowledge on programming with HTML5, CSS3, Javascript, PHP, Wordpress and MySQL. I also built a custom Wordpress template from scratch.
